# Welcome

Welcome to the 4th Skipton International Puppet Festival. Many thanks should go to our sponsors and supporters who have kept this festival alive and kicking in a difficult economic climate.

And so we are very happy to bring you more than 70 performances in 8 venues over 3 days, various workshops, an exhibition of exquisitely carved puppets and for the first time a Community Parade.

Our aim is to host a joyful and friendly event to showcase the maverick stars of the puppet world and the skills of their stage crew underdogs, the puppeteers. We are sure you will find much to amuse and delight you at the festival. Bring along your smiles and some sunshine please!
